Dear Sirs

EXPLORATION UPDATE

Western Plains Gold Ltd advises that it has commenced a RAB drilling program at the Mordialloc prospect in its Trundle project area within EL 4512 in the Lachlan Fold Belt in New South Wales.

The Company also advises that its first phase RAB drilling programs announced on 29 August 2005 at the Fairy Hill, Yalcowinna Creek and Smiths Well prospects in its Euriowie project, and at Chert Ridge in its Redan project, both near Broken Hill, have been completed. Results will be released when assays become available and the data is interpreted.

In addition, the airborne geophysical surveys of the Trundle and Peak Hill East project areas which were commenced in late August have also been completed. Data is presently being processed and assessed.

Yours faithfully

Robert H Duffin
Chairman
