This item of business relates to the receipt and consideration of the Company's financial statements and reports for the year ended 30 June 2008. These documents were released to the ASX on 26 September 2008. The Company's 2008 Annual Report will be able to be accessed on the Company's website at:

<http://www.westernplainsresources.com.au/announcements-annual-reports.asp>

Resolution 2 – Adoption of Remuneration Report

The Corporate Law Economic Reform Programme (Audit Reform and Corporate Disclosure Act 2004 (Cth)) (CLERP 9) requires that a resolution be put to members to adopt the Remuneration Report as disclosed in the Directors' Report (which together form part of the Company's 2008 Annual Report). Members' vote on this resolution is advisory and non binding. The resolution gives members the opportunity to ask questions or make comments regarding the Remuneration Report during the meeting.

Resolution 3 – Re-election of a Director Mr Robert Duffin

Mr Robert Duffin retires as a Director pursuant to the Company's Constitution and, being eligible, offers himself for re-election. Mr Duffin has been a Director of the Company since inception and Executive Chairman since late 2006. Mr Duffin is a company director and consultant to the mining industry, specialising in mining investment analysis, valuations and the provision of mining sector investment advice. Mr Duffin has over 35 years experience in resource exploration and project assessment, including over 20 years experience in mining investment analysis, project valuations and assessments of fair value of securities. Mr Duffin retires by rotation and the Board (with Mr Duffin abstaining) strongly recommend that members resolve his re-election.

Resolution 4 – Re-election of a Director Mr Robert Richardson

Mr Robert Richardson retires as a Director pursuant to the Company's Constitution and, being eligible, offers himself for re-election. Mr Richardson has over 40 years experience in mineral exploration management, geophysics and exploration technology. He has been at the forefront of mineral exploration in many parts of Australia for his entire career and has provided essential input into a number of important mineral discoveries. Mr Richardson retires by rotation and the Board (with Mr Richardson abstaining) strongly recommend that members resolve his re-election.

Resolutions 5, 6 and 7 – Issue of Options to Directors' Robert Duffin, Heath Roberts and Gary Jones

At the Company's Board meeting on 29 August 2008, option issues pursuant to the terms of the Company's Employee and Officers Share Option Plan (the Plan) were considered. In the case of option issues to executives which do not require shareholder approval, those option issues were carried out and announced to the ASX on 2 September 2008. In the case of option issues to Directors of the Company, the option issues were proposed subject to shareholder approval. Accordingly, by these Resolutions 5 – 7 (inclusive) the Board seeks shareholder approval of proposed option issues to Messrs Robert Duffin, Heath Roberts and Gary Jones.

The ASX Listing Rules and the Corporations Act 2001 (Cth) set out a number of regulatory requirements which must be satisfied in relation to these Resolutions 5 – 7 (inclusive). These requirements are addressed below.

Listing Rules 10.14 and 7.1

Listing Rule 10.14 requires a listed company to obtain member approval by ordinary resolution prior to the issue of securities (including the grant of options) to a Director of the Company under an employee incentive scheme. If these Resolutions 5 – 7 (inclusive) are passed, the relevant options will be granted to each of the Directors above. Accordingly, approval for the grant of the options to each of the Directors above is required pursuant to Listing Rule 10.14. Additionally, approval pursuant to Listing Rule 7.1 is sought so that the grant of options to the above persons will not be included in the 15% calculation for the purposes of Listing Rule 7.1.

Listing Rule 10.15 sets out a number of matters, which must be included in a notice of meeting proposing an approval under Listing Rule 10.14. For the purposes of Listing Rule 10.15, the following information is provided to members.

- a) the number of options to be granted by the Company to each of the three Directors above is:

Robert Duffin	100,000
Heath Roberts	75,000
Gary Jones	<u>75,000</u>
	<u>250,000</u>

This is the maximum number of securities that may be acquired by all persons for whom approval is required.

- b) the options will be granted for nil monetary consideration and therefore no funds will be raised from the issue of the options;
- c) the options will be issued within one month of the date of the meeting or at such time as deemed appropriate by an ASX waiver (if applicable);
- d) the purpose of the issue of the options is to incentivise each of the Directors, relative to their proposed contributions moving forward, to provide dedicated and ongoing commitment to the Company, to advance the Company's project interests as expediently as possible and to preserve the Company's cash position;

- e) the options are exercisable at \$0.75 per option on or before the date which is five years from the date of issue of the options. It should be noted that this exercise price was set based on a share price for the Company's shares leading up to the date the Board resolved to issue the options, which was 29 August 2008;
- f) no loans have been made by the Company, to any person in relation to the issue of the options or the exercise of them;
- g) no persons referred to in ASX Listing Rule 10.14 have received securities under the Plan since the last approval; and
- h) the names of persons referred to in ASX Listing Rule 10.14 entitled to participate in the Plan are:
 - Robert Duffin
 - Heath Roberts
 - Gary Jones
 - Len Dean
 - Lim See Yong
 - Dennis Mutton
 - Robert Richardson

The terms and conditions of the options permit the holder to exercise any or all options by notice to the Company and payment to the Company of the exercise price. Once this occurs, the Company must issue the appropriate number of shares to the option holder and seek quotation of the shares on the ASX, where those shares will merge into the Company's class of quoted shares coded WPG. The options are transferable with the consent of the Board and subject to readjustment in accordance with the ASX Listing Rules in the case of a reconstruction in the Company's share capital. The options carry no voting rights until such time as they are exercised and converted into fully paid ordinary shares. In accordance with the ASX Listing Rules, the options carry no rights to participate in new issues of securities to holders of shares except to the extent the option has been exercised, if that is permitted by its terms, and the shares allotted in respect of the option before the record date for determining entitlements to the issue. In the event of reconstruction of capital, the rights of an option holder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

Section 208 of the Corporations Act

Under Chapter 2E of the Corporations Act, a public company cannot give a "financial benefit" to a "related party" unless one of the exceptions to the section apply or shareholders have in general meeting previously approved the giving of that financial benefit to the related party. In the current circumstances, the grant of the options to the Directors constitutes a "financial benefit" as defined in the Corporations Act. Accordingly, the proposed grant of options constitutes the provision of a financial benefit to related parties of the Company. The Company is of the view that issue of the options falls within one of the exceptions to Chapter 2E of the Corporations Act, however provides additional information as follows.

Section 219 of the Corporations Act

Pursuant to Section 219 of the Corporations Act, the following information is provided to shareholders:

- a) The related parties to whom the financial benefit will be given are the three Directors of the Company, Messrs Robert Duffin, Heath Roberts and Gary Jones.

- b) The nature of the financial benefit to each of the relevant persons is the grant of options for nil consideration. The number of options to be issued to Messrs Duffin, Roberts and Jones was determined as part of the Company's 2008 – 2009 remuneration settlement which included a review of the remuneration paid to directors of companies of a similar size to the Company and factoring in the skill, experience and contribution of each of Messrs Duffin, Roberts and Jones, when considered together with his remuneration detailed below.

The Directors who do not have a material personal interest in the outcome of these Resolutions 5 – 7 (inclusive) recommend approval of the Resolutions.

- c) If shareholders approve the grant of options, and all of the options are exercised, the effect will be to dilute the shareholding of existing shareholders by approximately 0.30% on an undiluted basis (based on the number of Company shares on issue as at 21 October 2008), or approximately 0.026% on a diluted basis (based on the number of Company shares and options on issue as at 21 October 2008).

In the event of exercise of the options, the Company's cash reserves will increase by \$187,500.00. This funding will be used for working capital purposes.

- d) The market price of the Company's shares during the term of the options would normally determine whether or not the holder exercises the options. If, at the time any of the options are exercised, the Company's shares are trading on the ASX at a price that is higher than the exercise price of the options, there may be a perceived cost to the Company.
- e) In the 12 months before the date of this notice, the highest, lowest and last trading price of the Company's shares on ASX are as set out below:

	Date	Price (\$)
Highest	3 December 2007	1.84
Lowest	10 October 2008	0.32
Last	21 October 2008	0.41

- f) As at the date of this notice, the Directors subject of the proposed issue of options referred to in Resolutions 5 – 7 (inclusive) had the following relevant interests in securities in the Company.

Director's Name	Interest in WPG shares	Interest in WPG September 2009 25c options	Interest in WPG November 2011 25c options
Robert Duffin	12,555,000	687,500	0
Heath Roberts	500,000	250,000	1,000,000
Gary Jones	820,000	125,000	500,000

- g) The value of the options to be granted to the Directors has been calculated using the Black & Scholes Option Pricing Model (Black & Scholes Model), which is a widely used and recognised model for pricing options. The details of the valuation are set out below under the heading "Valuation of Director Options".

Based on the assumptions used for the Black & Scholes Model, the Options have been valued as follows:

Director's Name	Proposed number of options	Black & Scholes valuation of options
Robert Duffin	100,000	\$33,950
Heath Roberts	75,000	\$25,463
Gary Jones	75,000	\$25,463

- h) In addition to the options referred to above, the Directors receive the following additional remuneration from the Company.

Director's Name	Designation	Remuneration*
Robert Duffin	Executive Chairman	\$359,700 p/a with potential bonus up to \$143,880.
Heath Roberts	Executive Director	\$270,000 p/a with potential bonus up to \$108,000.
Gary Jones	Executive Director	\$266,007 p/a.

*As set in August 2008 for the 2008 – 2009 Financial Year

- i) The value of the options will be expensed by the Company. Other than as set out in this notice, the Company considers that from an economic and commercial point of view there are no costs or detriments, including opportunity costs or taxation consequences, for the Company or benefits foregone by the Company, resulting from the issue of the options pursuant to these Resolutions 5 – 7 (inclusive).
- j) Neither the Directors nor the Company are aware of any other information that would be reasonably required by shareholders to make a decision in relation to the financial benefits contemplated by Resolutions 5 – 7 (inclusive).

Valuation of Director Options

The options have been valued using the Black & Scholes Model, based upon the following:

1. The valuation was carried out by an independent third party as at 1 October 2008 although the options will not be issued until late November / early December 2008. The grant date for the purposes of the valuation was assumed as 1 December 2008.
2. The exercise price of the options is \$0.75 cents each.
3. The expiry date of the options is 5 years from the date of issue of the options, therefore assumed to be 1 December 2013.
4. The last share price of WPG share as at 01 October 2008 was \$0.54.
5. The risk free interest rate (3 year Australian Government Bond) was 5.75%.
6. The options are valued based on a volatility of 81.2%.
7. The valuation does not necessarily represent the market value of the options.

Resolutions 8 and 9 – To accept the resignation of BDO Kendalls as the Company's Auditor and to approve the appointment of BDO Kendalls Audit & Assurance (NSW-VIC) Pty Ltd as the Company's Auditor

Although Resolutions 8 and 9 have been submitted to shareholders for separate consideration, they essentially relate to the same subject matter.

As a result of a corporate restructuring within the BDO Kendalls Group, the audit function for the Company will be 'transferred' from BDO Kendalls to BDO Kendalls Audit & Assurance (NSW-VIC) Pty Ltd. Whilst from a technical perspective a change of auditor (with attendant regulatory approvals) is required, there is no substantive change in the day to day operation of the Audit process.

Both Resolutions 8 and 9 are subject to ASIC approval.
