Tarcoola NTMA signed

WPG Resources Ltd (ASX:WPG) is pleased to advise that the Tarcoola Native Title Mining Agreement (NTMA) has now been executed by the Antakirinja Matu–Yankunytjatjara Aboriginal Corporation RNTBC (AMYAC), the registered native title holder of land over which the Tarcoola gold project is located.

WPG announced on 30 November 2015 that commercial terms for the NTMA had been reached and drafting of the agreement was nearing completion.

Execution of the NTMA is the last major prerequisite to the grant by the South Australian Department of State Development of the mineral lease at Tarcoola.

WPG looks forward to continuing its good relationship with AMYAC as development of Tarcoola advances.
