Senior Management appointments

WPG Resources Ltd (ASX:WPG, WPGO) is pleased to advise that it has made several senior management appointments.

Mr Marcus Doyle has been appointed as the General Manager of the Challenger Joint Venture. Mr Doyle is a mining engineer and registered mine manager with international operating experience with major miners. Mr Doyle previously worked for 2 years as the Mine Manager at Challenger and brings a wealth of experience and knowhow to the position. He is a strong all round leader and was an integral part of the management team that introduced significant cost savings and operating efficiencies.

Ms Narghiza Ergashova has been appointed as WPG's Group Financial Controller. Ms Ergashova is an experienced finance specialist with a strong audit and compliance background with broad industry experience that includes resources, infrastructure, construction, engineering and logistics. WPG welcomes her extensive experience which includes joint venture accounting as the Company moves to re-start the Challenger gold mine operated as a 50/50 joint venture between WPG and Diversified Minerals Pty Ltd.

The Challenger management and site roles have been advertised through www.challengerjv.com.au and the recruitment process is progressing.

Executive Chairman Bob Duffin said: "These senior management appointments and the start of the recruitment process for the Challenger gold mine reflect the strategic positioning of WPG and its highly experienced Board and management team as the Company enters another dynamic phase in its progress toward the development and operation of the Challenger gold mine."
